

Facts about Coffey International Development

OUR EXPERTISE

With four decades of experience and more than 1,500 development professionals, Coffey International Development is one of the world's most experienced and trusted international development consulting firms. We partner with a wide range of clients, including AusAID, DFID, USAID, the Islamic Development Bank, the European Commission, the Asian Development Bank, the World Bank and the UN.

We also work directly with domestic and foreign governmental ministries, departments and units, as well as a number of foundations, universities, non-government organisations (NGOs) and private corporations.

Coffey International Development applies specialist knowledge and experience to solve some of the toughest development challenges facing communities worldwide.

Coffey International Limited

Coffey International Development is part of Coffey International Limited, a specialist professional services consultancy with expertise in geosciences, international development, and project management. With more than 50 years of experience, we are well known in our markets for deep technical skills and market-leading solutions to complex tasks. We are listed on the Australian Securities Exchange (ASX:COF).

Coffey employs more than 3,000 people working on projects in more than 90 countries and has permanent offices throughout Oceania, the Americas, Africa, Asia and Europe.

Visit coffey.com for more information.

Our People

Our staff consists of more than 1,500 development professionals currently work on projects across the globe. For additional information, please contact Communications Manager Prue Bowley (prue_bowley@coffey.com).

Our Projects

We implement a total of 203 projects across the following geographical regions:

Coffey ID Asia Pacific: 32 projects

Coffey ID Europe: 92 projects

Coffey ID Americas: 76 projects

Coffey ID Middle East: 3 projects

Country Listing

We are currently working in **77 countries** (includes corporate offices, project offices and operational countries).

Countries with Project and/or Field Offices: 35

Those countries in which we have a project based in-country, typically with a project field office and one or more staff.

Operational countries: 72

Countries where we are carrying out projects that do not have an associated field office. Some of these may have a permanent field office for another donor-funded activity or a corporate office in those countries.
